

# Shawn L. Reiser, DPM

## QUALIFICATIONS

Trained for three years at high volume foot and ankle surgical residency program in a major metropolitan area. Received extensive training in all areas of foot and ankle surgery, including peri-operative management of the surgical patient, forefoot/midfoot/hindfoot surgery, surgical arthroscopy, ankle joint replacement, trauma, and diabetic limb salvage. Third year of training is devoted to rearfoot reconstructive surgical procedures/arthrodeses, ankle trauma, and learning the intricacies of practice management including billing and coding in an office setting.
